

The Eli & Britt Harari Graphene Enterprise Award 2020

Terms and Conditions

Last updated: 24.02.2020

Please read these terms and conditions carefully before submitting your application. By submitting an entry into The Eli & Britt Harari Enterprise Award 2020, you are agreeing to comply with the rules and regulations detailed below. Failure to comply will result in disqualification.

1. This competition is managed by the Masood Enterprise Centre.
2. The competition is open to both individuals and teams:
 - **Individuals** must be either: current students, postdoctoral researchers, or recent alumni (graduated within the last 5 years) of The University of Manchester.
 - **Teams** can contain up to six people, but at least half of the team must have The University of Manchester status, or have graduated from the University within the last five years.
3. Postdoctoral researchers include: research associates, knowledge transfer/exchange fellows, and KTP associates.
4. This competition is first and foremost for student-led ideas, which will ideally be based on their own original innovations, however we are open to students taking up a lead role on an academic-led project/IP based idea (Please see points 12 and 13 on university linked IP).
5. Two prizes of £50,000 and £20,000 will be awarded to the winner and runner up.
6. Awards will be paid according to the following conditions:
 - Payments will be made in three instalments over a 12-month period, agreed in advance by the Director of Masood Enterprise Centre.
 - Awardees will meet with a nominated advisory panel throughout a 12-month period, in which objectives and progress of the business' development will be discussed and reviewed.
7. All applications must demonstrate a concise, coherent and credible, scientific and technical application of graphene or another 2D material.
8. Applicants must follow all stages of the application process outlined by Masood Enterprise Centre in order to be considered.
9. The deadline for receipt of entries is **12pm on Friday, 5 June 2020**.
10. Any conflict of interest between the applicant(s) and member(s) of the judging panel must be disclosed at earliest indication.
11. If the applicant regards any part of their application as proprietary or commercially sensitive, these sections should be clearly marked as 'confidential'.
12. All IP will be managed according to the University's policy/code of conduct related to research. This is set out in The University of Manchester Intellectual Property Policy: (<http://documents.manchester.ac.uk/display.aspx?DocID=24420>).

13. If any university linked IP is identified, the applicant should discuss their IP with a representative from the University's technology transfer office UMI³, prior to submitting an application. The outcomes of this meeting should be summarised within the IP section of their application.
14. The summary provided by the applicant in the application may be used in public documentation relating to The Eli and Britt Harari Enterprise Award 2020.
15. The University of Manchester staff, authorised administrative staff, and the judges, are the only individuals who will have access to the application materials. These individuals regularly deal with sensitive information in the course of their work and will treat all information with the same care and respect for confidentiality.
16. Successful applicants will receive complimentary advice and support through the Masood Enterprise Centre and its partners to develop their business proposal.*
17. It is expected that the applicant will have obtained permission from their supervisor or line manager prior to entering; we reserve the right to ask for confirmation.
18. The Masood Enterprise Centre will not take responsibility for any network malfunctions that may prevent individuals or teams submitting an entry in time.
19. All correspondence will be with the lead entrant listed on the competition entry using the email supplied on the application.
20. The Masood Enterprise Centre reserves the right to contact applicants to validate entry information.
21. Winners will be encouraged to reference the competition in their own social media and publicity materials.
22. There can be no appeal against the decision of the judges and these decisions must be accepted as final.
