BSc (Hons) Accounting

— AVAILABLE WITH A WORK PLACEMENT

BSc (Hons) Accounting is a unique course tailored to provide students with both the knowledge and the skills required for accountants and leaders in the business world beyond university.

Part of the Institute of Chartered Accountants in England and Wales' (ICAEW) Undergraduate Partnership Programme (UPP), providing a specialised route to chartered accountancy status.

The course focuses on three key pillars for success:

Academic prowess

Small group teaching on the course gives you access to thought-leading academics who inspire you to develop thinking patterns to reflect the Alliance MBS focus on original thinking applied. Teaching is led by awardwinning lecturers putting you at the centre of learning and focuses on the development of seven key study skills to ensure you reach your full potential.

Wellbeing and flourishing

Having the support and guidance to flourish are at the heart of the programme so that you enjoy your time here. You will benefit greatly from cross year group coaching, focused academic advising and a close working relationship with lecturers. Alongside accounting and finance you are encouraged to develop skills to become a well-rounded professional, including emotional intelligence, growth mind-set and resilience.

Employability

The ultimate aim of the programme is to empower you to achieve long-term career success and become the leading professionals of tomorrow. You'll be 'employability ready' by the start of second year so that you can apply to and choose from a range of summer internships and placements. The programme has close partnerships with ICAEW, ACCA, CFA and CIMA

as well as the top professional accounting and banking firms including the Co-operative Group which is based in Manchester and offers exclusive paid summer internships for BSc Accounting students. Exam exemptions, work experience opportunities, and training are all benefits of these partnerships for students.

What jobs do our accounting graduates go into?

Examples of jobs recent accounting graduates have gone on to include:

- > Audit associate
- > Banking
- > Forensic accountant
- > Internal auditor
- > Procurement intern
- > Risk analyst
- > Tax advisor
- > Trainee chartered accountant

Who employs them?

A wide range of companies, including:

- > BDO
- > Deloitte
- > Ernst & Young
- > Grant Thornton
- > HM Revenue & Customs
- > KPMG
- > NHS
- > PwC
- > Beever and Struthers
- > The National Audit Office

What about further study?

Accounting graduates have gone on to further study in accounting, banking and finance at institutions such as Cambridge, Imperial College London and London School of Economics.

Recognised as an ICAEW Partner in Learning, working with ICAEW in the professional development of students

*For N401.

“BSc Accounting was different from other courses in that I wasn’t just one student out of 200. There was a small group of us and this made a huge difference - I felt like I was always supported, challenged, and motivated to be the best that I could.”

— Bhavna Cowling, BSc Accounting graduate now working as Finance Manager for The Bread Factory and GAILS

What you study

YEAR 1

Your first year is designed to introduce you to the foundations of accounting and finance.

Your first year will involve you working on group projects that will help you cultivate key academic skills and competencies expected in the field of accountancy.

- > Auditing and Professional Accounting Practice [20]
- > Financial Decision Making [10]
- > Financial Reporting [10]
- > Introductory Management Accounting [10]
- > Law for Accountants [20]
- > Macroeconomics [10]
- > Microeconomics 1 [10]
- > Principles of Taxation [10]
- > Quantitative Methods for Accounting and Finance [20]

YEAR 2

Your second year will develop your analytical skills and give you a more in-depth understanding of accounting.

You will develop your understanding of business strategy, the different pathways in the accounting profession as part of a specialist course unit designed to provide you with the theoretical knowledge and practical skills necessary for the work placement year. You will also choose optional course units in related subjects of your choice.

- > Business Strategy [10]
- > Financial Reporting and Accountability [20]
- > Financial Statement Analysis [10]
- > Foundations of Finance [20]
- > Intermediate Management Accounting [20]
- > Professional Accounting Practice [10]

Plus any of the following optional course units:

- > Development Economics [10]
- > Financial Markets and Institutions [10]
- > Foreign Language [10]
- > Investment Analysis [10]
- > Mergers and Acquisitions: Financial perspectives [10]
- > University College course unit [10] (see page 42)

CORE COURSE UNITS
[credits shown in brackets]

The content and structure of our programmes is reviewed regularly and it is expected that course content will be updated after the publication of this brochure. For the latest information please visit our website.

WORK PLACEMENT

If you successfully apply for a work placement this will take place between your second and final year.

You will put theory into practice, develop transferable skills and gain an insight into the accounting profession.

Previous BSc Accounting students have completed work placements at Airbus, Deloitte, Ernst & Young, Grant Thornton, HSBC, Innospec, KPMG, PwC, Rolls-Royce, NHS and RSM amongst others.

Our students have worked in a variety of placement roles spanning accounting and finance, from audit to fintech and credit risk management.

FINAL YEAR

Your final year is designed to allow you to choose from a range of more specialised topics.

You will take a core 40 credit course unit involving a group project and individual project. You will take more advanced courses in accounting and finance. Your remaining course units will be chosen from a range of accounting, finance, economics or management subjects.

- > Accountability and Auditing [10]
- > Contemporary Issues in Financial Reporting and Regulation [20]
- > Corporate Financial Communication and Valuation [40]

Plus optional course units in

- > Accounting, Finance, Management or other related subjects [50]

CORE COURSE UNITS
[credits shown in brackets]

BSc (Hons) Business Accounting

— WITH INDUSTRIAL/PROFESSIONAL EXPERIENCE

Our 'Flying Start' degree was developed in collaboration with PwC and the Institute of Chartered Accountants in England and Wales (ICAEW).

This bespoke programme allows you to fast-track your career to become an ICAEW Chartered Accountant, combining academic study with integrated professional work placements; the best of both worlds.

Employability

The most distinctive feature of this four-year programme is a series of integrated paid work placements at PwC in your second, third and final years of study. Whilst on placement you will gain practical knowledge and experience within PwC's Audit Team.

"The programme has allowed me to hit the ground running with my career. Not only have I returned as a Senior Associate after graduation, I've been able to gain exposure to lots of different business areas throughout my placements."

— Flying Start graduate

Recognised as an ICAEW Partner in Learning, working with ICAEW in the professional development with students.

Work with PwC

PwC are one of the top employers of choice in Accounting and Professional Services according to AllAboutSchoolLeavers, and have been voted the UK's Accountancy employer of choice by students in The Times Top 100 Graduate Employers survey for the last 23 years.

With this degree, you can be a student and a professional at the same time. Enjoy everything university life has to offer and experience what it means to be a trainee Chartered Accountant on placement at PwC.

Perform well in your academic studies and placements and you will join the Flying Start students across the UK who were offered a graduate position at PwC. Join PwC a step ahead of traditional graduates, potentially becoming a fully-qualified ICAEW Chartered Accountant, with the salary to match, just over a year after you graduate.

Recruitment Process

Students who meet the University's entry requirements will be required to complete PwC's selection process which involves some additional assessments. Find out more about this process: uom.link/ambs-assessment-pwc

The ACA

The programme offers significant accreditation towards the ICAEW ACA qualification (12 papers). ICAEW Chartered Accountants are recognised around the world as leaders in accountancy, finance and business.

PwC's Flying Start Financial Bursary

Aimed at supporting students with the day-to-day costs of University life. If you meet the bursary eligibility criteria and join the BSc (Hons) Business Accounting 'Flying Start' programme in autumn 2025, a £10,000 bursary will be awarded to you, split across the four years of the degree. Further details can be found on the PwC website: uom.link/ambs-accounting-pwc

"This collaborative degree allows you to study at a highly-ranked university, undertake paid placements at PwC and gain the maximum accreditation possible from the ICAEW. During your degree you will be taught by globally-recognised academics and then apply that knowledge by working in the number one firm of accountants in the UK."

— Claire Levison, Programme Director, BSc (Hons) Business Accounting

What you study

YEAR 1

You will spend your first year gaining a strong grounding in the principles of accounting.

You will complete core course units, including Financial Decision Making, Financial Reporting, and Audit which will allow you to develop your professional skills and prepare you for the workplace. You will take your first examinations that will contribute towards your ACA qualification.

- > Auditing and Professional Accounting Practice [20]
- > Financial Decision Making [10]
- > Financial Reporting [10]
- > Introductory Management Accounting [10]
- > Law for Accountants [20]
- > Microeconomics I [10]
- > Macroeconomics I [10]
- > Principles of Taxation [10]
- > Quantitative Methods for Accounting and Finance [20]

YEAR 2

Your second year will combine your first work placement at PwC with course units designed to give you a more in-depth understanding of accounting and business strategy.

With continued focus on the ACA qualification, your academic study period will run from September to March, developing your analytical skills and knowledge of finance. You will then undertake your first work placement with real audit clients at PwC, growing your professional network and gaining an insight into the accounting profession.

- > Business Strategy [10]
- > Financial Reporting and Accountability [20]
- > Financial Statement Analysis [10]
- > Foundations of Finance B [20]
- > Tax Compliance [20]

Work placement (March – July)

- > PwC audit placement [40]

The content and structure of our programmes is reviewed regularly and it is expected that course content will be updated after the publication of this brochure. For the latest information please visit our website.

YEAR 3

Your third year will also combine a work placement and academic studies, consolidating your expertise in audit and assurance, and management accounting and tax.

On placement you will take on a more challenging role within a client audit environment at PwC, building on your professional experience, you will apply the knowledge gained on the programme to undertake more complex projects. Your studies will build on key technical skills, helping to fast-track your accountancy career and gain further ICAEW exemptions.

- > Advanced Financial Accounting and Reporting [20]
- > Audit and Assurance (including Ethics) [20]
- > Business Planning (Taxation) [20]
- > Intermediate Management Accounting [20]

Work placement (March – July)

- > PwC audit placement [40]

FINAL YEAR

Your final year includes a research project and a final work placement, designed to prepare you for a graduate career with PwC.

Your placement will start in January and finish in May, and will advance your management skills through coaching junior staff. You will work on your research project whilst on placement.

- > Financial Analysis of Corporate Reporting [40]

Plus optional course units:

- > Optional course units [40 in total]

Work placement (January – May)

- > PwC audit placement [40]

What you study

YEAR 1

Project work integrates business and IT throughout the degree. Our current first-year project involves developing an application to solve a real business problem.

In addition to foundation-level course units in IT, you will also study marketing, economics and work psychology. By the end of your first year you will have presented your team project to employers at two employer showcases and participated in skills sessions delivered by companies such as KPMG, Fujitsu, and Bank of America.

YEAR 2

During your second year of study you will undertake core course units in Business Analysis, Digital Transformation, User Experience Design and Data Analytics.

Our current second year Integrative Team Project is supported by Procter & Gamble, where you will be tasked with the undertaking of a yearlong team consultancy project, the result of which will be showcased to employers at the end of both semesters.

CORE COURSE UNITS [credits shown in brackets]

- > Academic and Professional Practice [10]
- > Database Design and Development [10]
- > Economic Principles [10]
- > Fundamentals of Data Analytics [20]
- > Fundamentals of Information Systems [10]
- > Integrative Team Project 1 [20]
- > Introduction to Work Psychology [10]
- > Marketing Foundations [10]
- > Software Application Design and Development [20]

- > Business Analysis [20]
- > Data Analytics with Programming Tools [20]
- > Digital Transformation [10]
- > Integrative Team Project 2 [20]
- > User Experience Design [10]

Optional course units*

- > Consumer Behaviour [10]
- > Creativity, Design and Entrepreneurship [20]
- > Economic Analysis 1:
Firm Market and the Economy [20]
- > Ethical Business [20]
- > Marketing Management [20]
- > Sustainable Business [20]
- > Technology, Strategy and Innovation [10]

The content and structure of our programmes is reviewed regularly and it is expected that course content will be updated after the publication of this brochure. For the latest information please visit our website.

WORK PLACEMENT

Industrial experience can be a significant component of the ITMB experience, offering real-world experience with innovative organisations.

Previous students have completed placements with Accenture, Adobe, Bank of America, Canon, Caterpillar, Cummins, Deloitte, Hewlett Packard, IBM, Microsoft, Morgan Stanley, Nomura, PepsiCo, Procter & Gamble, PwC and Vodafone amongst others. Our students have worked in placement roles spanning business analysis, e-commerce, digital marketing and project management.

FINAL YEAR

Your final year provides a broad view of digital economy, platforms, AI, IT risk and architecture. You will gain practical skills in the design and application of business IT architectures through a core unit developed with IBM, which applies a case study from the global technology giant.

You will also develop an IT solution to a business problem which will encompass; investigation, requirement analysis, design and evaluation of your proposed solution. Previous ITMB students have studied a variety of topics including; how large corporations use technology to manage teams across geographic locations and time zones, IT provision in the treatment of diabetes in the NHS, and investigated the implications of the rise in social networking on management.

* Up to 20 credits may be chosen from University College (see p.42) and/or the University Language Centre

- > Business IT Architecture [10]
- > Digital Economy: Platforms, AI and the Business [20]
- > ITMB Final Year Project [40]
- > IT Risk, Cybersecurity and Governance [10]

Optional course units*

- > Advanced Strategic Management [20]
- > FinTech Revolution: The Digital Transformation of Financial Services [20]
- > Innovation and Markets [20]
- > International Competitiveness and Innovation [20]
- > Marketing Strategy [20]
- > People Management and Change [10]
- > Sustainable Business in Society [20]

CORE COURSE UNITS
[credits shown in brackets]

BSc (Hons) International Business, Finance and Economics

— AVAILABLE WITH A WORK PLACEMENT

This interdisciplinary course offers you the opportunity to study a wide range of course units across finance, accounting, economics, business analysis, innovation, strategy and political economy.

Study contemporary contextual themes, such as the globalisation and financialisation of business, hedge funds and private equity, and the social and economic implications of outsourcing.

This course includes an optional work placement in your third year, before returning to Manchester to complete your final year.

Graduate employers look for candidates with work experience, practical skills and professionalism. Build your confidence, develop a real-world attitude to business, earn a salary and gain increased responsibility and independence.

Find out more about our placement scheme, including the main benefits, typical salaries and placement student profiles on page 44.

Employability

Selected course units may grant exemptions from professional accountancy exams. For the most up to date information, please see relevant accountancy board's website for relevant exemptions.

What you study

YEAR 1

Your first year begins with a broad introduction to the study of business, finance and economics.

This will enable you to make an informed choice of areas to study later in the course. You will learn the technical skills of macro, micro and managerial economics and financial reporting.

- > Academic and Career Development [10]
- > Financial Decision Making [10]
- > Finance and Innovation in International Business [20]
- > Financial Reporting [10]
- > Introductory Management Accounting [10]
- > Work, Organisations and Society [20] OR Fundamentals of Technological Change [10]
- AND Entrepreneurial Skills [10]

Plus:

- > Microeconomics 1 [10]
- > Macroeconomics 1 [10]

Plus one of the following:

- > Introductory Mathematics [10] and Introductory Statistics for Economists [10]
- > Advanced Mathematics [10] and Advanced Statistics [10] (dependent on previous level of mathematics)

YEAR 2

You will study core course units in finance, managerial economics and business strategy.

You will also choose options from accounting and finance, economics and contexts for international business. You will gain practical report writing, financial and competitor analysis and database skills. You have the opportunity to learn a language – you can choose from 15 different languages at varying levels and you can continue this study into your third year. For full details visit: languagecentre.manchester.ac.uk

- > Foundations of Finance [20]
- > Fundamentals of Strategy [10]
- > Managerial Economics I [20]

Plus 70 credits of the following optional course units

(no more than 40 credits from each subject area)

Finance

- > Financial Markets and Institutions [10]
- > Financial Statement Analysis [10]
- > Fintech, Blockchain and Cryptocurrencies [20]
- > FinTech Revolution: The Digital Transformation of Financial Services [20]
- > Investment Analysis [10]
- > Mergers and Acquisitions: Financial Perspectives [10]

Please note that course units are subject to change and can vary from year to year. For detailed information on individual course units visit the course listing on our website.

Accounting

- > Financial Reporting and Accountability [20]
- > Intermediate Management Accounting [20]

- > Introduction to Mathematical Economics [10]
- > Macroeconomics II [10]
- > Microeconomics II [10]

Our University Language Centre offers optional course units in over 15 different languages at all levels [10-20].

10 credits may be chosen from University College (see p.42), including the Manchester Leadership Programme.

CORE COURSE UNITS
[credits shown in brackets]

What you study

WORK PLACEMENT

If you successfully apply for a work placement this will take place between your second and final year. You will put theory into practice, develop transferable skills and gain an insight into your chosen profession.

Previous IBFE students have completed work placements at Accenture, Audi, British Airways, Deloitte, Goldman Sachs, GSK, IBM, L'Oreal, Morgan Stanley, Pfizer, Rolls-Royce, Utilita Energy and Walt Disney, amongst others.

Our students have worked in a variety of placement roles spanning audit, finance, operations management, procurement and project management.

FINAL YEAR

You will take compulsory course units in international finance, managerial economics and international business analysis.

The International Business Analysis Project allows you to critically analyse contemporary business practice from a social and political perspective. You will question the classical strategy tradition by exploring how the pressure to deliver shareholder value complicates the job of management.

CORE COURSE UNITS
[credits shown in brackets]

- > International Business Analysis Project [20]
- > International Finance [20]
- > Managerial Economics II [20]

Plus 60 credits from a range of optional course units:

- Accounting and Finance
- > Advanced Corporate Finance [20]
 - > Advanced Management Accounting [20]
 - > Accountability and Auditing [10]
 - > Applied Practical Investing [10]
 - > Contemporary Issues in Financial Reporting and Regulation [20]
 - > Corporate Contracting and Managerial Behaviour [10]
 - > Corporate Governance in Context [10]
 - > Digital Transformation in Accounting [10]

"There were so many different areas that I could focus my strengths on; having such variety across three different disciplines has given me a wider skill set. Understanding and learning about business and the economy as a whole made the transition from being a student to working life much easier."

—Emily Howeller, IBFE graduate

Please note that course units are subject to change and can vary from year to year. For detailed information on individual course units visit the course listing on our website.

- > Financial Derivatives [10]
- > Financial Engineering [10]
- > Financial Market Microstructure [10]
- > FinTech Revolution: The Digital Transformation of Financial Services [20]
- > Share Prices and Accounting Information [10]

Contexts for International Business

- > Advanced International Business [20]
- > Business Law 2: Law and Modern Corporations in an International Context [10]

CORE COURSE UNITS
[credits shown in brackets]

BSc (Hons) International Management

— STUDY ABROAD WITH AN INTERNATIONAL EXCHANGE YEAR

First-hand knowledge of another culture can be crucial in business. The distinctive feature of these courses is a year abroad at a top global business school or university.

Study a broad range of topics to suit your interests and career ambitions, and gain invaluable experience of living and studying in another country.

Our students have also secured summer internships in the UK and abroad to further enhance their employability. So, you could study at two world-class institutions, benefit from extensive travel opportunities and gain added work experience. There'll be no stopping you after graduation.

What jobs do IM graduates go into?

Examples include:

- > Associate management consultant
- > Corporate banking associate
- > Market analyst
- > Media consultant
- > Territory manager
- > Wealth management analyst

Who employs them?

Global employers, such as:

- > Bombardier (Sweden)
- > Crown Worldwide (San Francisco)
- > Danier Leather Inc (Toronto)
- > Deloitte (Luxembourg)
- > Google
- > HSBC (Beverly Hills)
- > Tevere (Switzerland)

What about further study?

Graduates have gone on to further study in digital marketing, entrepreneurship, real estate and strategy at Harvard, University of Mannheim and Erasmus University.

"I obtained an internship in Singapore whilst I was studying and stayed for four more months as a working professional over the summer, experiencing the Lion City from a different perspective."

— Arthur Richier, BSc (Hons) International Management graduate, now a Senior Freight Analyst at Vortexa

What you study

YEAR 1

Your first year will give you a good grounding in accounting, finance, management, work psychology, marketing, sociology and economics.

This will help you to make informed choices about optional course units in later years. You will study 120 credits in total.

- > Academic and Career Development [10]
- > Case Studies in Professional Management [10]
- > Economic Principles [10]
- > Financial Decision Making [10]
- > Fundamentals of Financial Reporting [10]
- > Fundamentals of Management Accounting [10]
- > Introduction to Management and Organisation Studies [20]
- > Introduction to Work Psychology [10]
- > Principles of Marketing [10]
- > Quantitative Methods for Business and Management [20]

YEAR 2

You will study a core 20-credit course unit according to your chosen exchange destination and select 100 credits of optional course units.

For exchanges in Europe, Hong Kong, Singapore, Australia or New Zealand students will take International Business [20] or American Society and Economy [20] for exchanges in the USA or Canada.

Our University Language Centre offers optional course units in over 15 different languages at all levels [10-20].

- > Business Data Analytics [20]
- > Business Law 1: Law, Business Liabilities and the Consumer [10]
- > Business Law 2: Law and Modern Corporation in an International Context [10]
- > Economic Analysis I: Firm, Market and the Economy [20]
- > Ethical Business [20]
- > Financial Markets and Institutions [10]
- > Financial Reporting and Accountability [20]
- > Financial Statement Analysis [10]
- > Foundations of Strategy and Innovation [20]
- > Investment Analysis [10]
- > Managing Projects [20]
- > Operations Management and Strategy [10]
- > Personnel Selection and Talent Management [20]
- > Research Methodology [20]
- pre-requisite for Dissertation

COURSE UNITS

[credits shown in brackets]

The content and structure of our programmes is reviewed regularly and it is expected that course content will be updated after the publication of this brochure. For the latest information please visit our website.

STUDY ABROAD

You will spend your third year* on an international academic exchange, selecting course units from the selection available within the partner institution.

You will return to Manchester for your final year, using the knowledge and experience gained on exchange in a range of optional course units across all key disciplines.

FINAL YEAR

You will develop an appreciation of economic, social and cultural differences between nations and the implications of this for management systems and practices.

You will choose 120 credits from across the management portfolio, which includes (but is not limited to) the course units listed below.

*subject to meeting academic requirements

- > Advanced International Business [20]
- > Advanced Strategic Management [20]
- > Comparative Industrial Relations [20]
- > Contemporary Issues in Financial Reporting and Regulation [20]
- > Corporate Governance in Context [10]
- > Dissertation or Consultancy Project (in an international field) [40]
- > Economic Analysis II [20]
- > Entrepreneurship and Venturing [20]
- > Equality and Fairness at Work [20]

- > Human Resource Strategy and Practice [20]
- > International and Comparative Human Resource Management [20]
- > International Competitiveness and Innovation [20]
- > International Finance [20]
- > Leadership and Success at Work [20]
- > Services Marketing Management [20]
- > Sustainable Business in Society [20]
- > Wicked Problems: Clumsy Solutions - Leadership in Healthcare [20]

COURSE UNITS

[credits shown in brackets]

STUDY ABROAD

Study BSc (Hons) International Management and choose from a wide range of exchange partners across Europe, Southeast Asia, Australasia, the US and Canada.

You'll spend your third year abroad*, studying in English at your partner institution before returning to Manchester for your final year. Please note that there are no language requirements for this degree.

*subject to meeting academic requirements

EXCHANGE PARTNERS

We have 35 exchange partners across 13 countries, many of whom feature in the Financial Times top 100 global rankings. Since all classes are taught in English, there are no language requirements for this degree.

Your choice of partner includes USC Marshall School of Business – a stone's throw from the Hollywood Hills and Santa Monica Beach – and UBC Sauder School of Business in Vancouver, within striking distance of Whistler's world-famous ski slopes. Visit the fashion capital of the world at Bocconi University in Milan or opt for front row seats to the Grand Prix at the National University of Singapore.

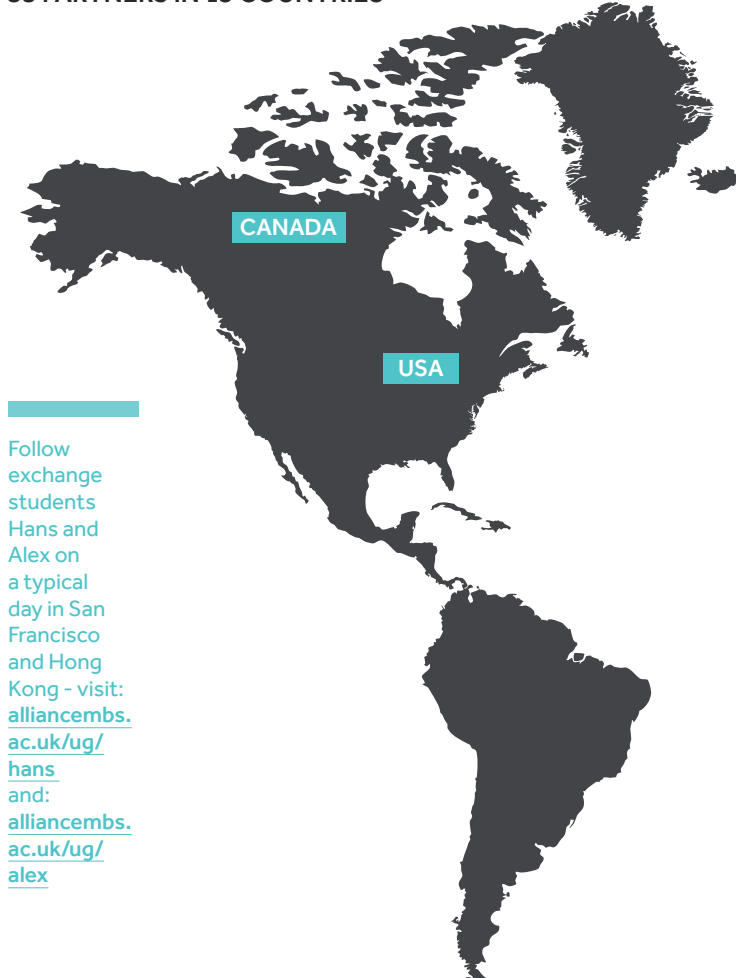

MONEY MATTERS

You will receive a significant tuition fee discount for the year abroad. UK/EU students currently pay £1,385 and international students pay 20% of the standard international fee. You will not pay academic fees to your chosen exchange partner.

Additional support is available to UK students from low income households – visit: uom.link/ambbs-goabroad for the latest information. Students in England should visit: gov.uk/travel-grants-students-england for advice relating to the student travel grant.

N.B. The above information is subject to confirmation each academic year.

35 PARTNERS IN 13 COUNTRIES

- 31 The University of Sydney, Australia
- 32 The University of Queensland, Australia
- 33 The University of Melbourne, Australia
- 34 The University of Western Australia, Perth, Australia
- 35 The University of Auckland, New Zealand

Visit: alliancembs.ac.uk/ug/exchange
to find out more about our exchange partners

"I studied at ESADE in Barcelona and interned at a local PR agency in the summer. Working in an international office and interacting with clients on a global scale definitely increased my cultural awareness."

— Christina Rud,
BSc (Hons) International
Management

VISAS

Please visit the appropriate country websites for visa costs.

TRAVEL

Return air fares can be expensive when travelling to Australia, New Zealand, Hong Kong and Singapore. Also consider any other travel costs during the exchange period.

INSURANCE

The University's student travel insurance policy provides cover for students undertaking study abroad as part of their course. Most of our partner institutions may also require you to purchase additional compulsory health insurance.

TUITION FEES

Home/EU students studying abroad for the full academic year will pay £1,385. Additional support is available to UK students from low-income households as follows:

Household income	Cash bursary
Up to £25,000	£2,000
£25,001 - £35,000	£1,000

INTERNATIONAL STUDENTS

Studying abroad for the full academic year will pay 20% of the standard international tuition fee. Students do not pay academic tuition fees to the exchange partner.

N.B. The above information is subject to confirmation each academic year.

ACCOMMODATION

Accommodation costs vary according to country, university and whether you opt for private accommodation. Also consider the cost of housing during vacation periods and consider the current exchange rate. Accommodation offered can often be in a shared room.

BENEFITS OF STUDY ABROAD

Enhanced employability

Build an international network

Greater independence

“The year in the US absolutely shaped my career. After graduation I joined Ogilvy in London and transferred to New York.”

— Jamie Bryan,
BSc (Hons) International
Management

OTHER COSTS TO CONSIDER

- > Travel costs can vary hugely between partner institutions
- > Food and entertainment
- > Books, equipment and supplies
- > Possible administration fee
- > Many institutions provide a breakdown of approximate living costs for the year on their websites.

FUNDING YOUR YEAR ABROAD

Students who live in England should visit: www.gov.uk/travel-grants-students-england for information about travel grants. You may be eligible for financial support to help cover the cost of up to three return flights as well as medical insurance and travel visas.

N.B. This information is correct at the time of going to print (April 2024) – for the most up-to-date information please see our website.

Availability of places at exchange partners dependent on current balances and contract renewals.

What you study

YEAR 1

Your first year will give you a good grounding in accounting, finance, management, work psychology, marketing, sociology and economics.

This will help you to make informed choices about optional course units in later years. You will study 120 credits in total.

- > Academic and Career Development [10]
- > Case Studies in Management [10]
- > Economic Principles [10]
- > Financial Decision Making [10]
- > Fundamentals of Financial Reporting [10]
- > Fundamentals of Management Accounting [10]
- > Introduction to Management and Organisation Studies [20]
- > Introduction to Work Psychology [10]
- > Marketing Foundations [10]
- > Quantitative Methods for Business and Management [20]

YEAR 2

Your second year course structure is determined by whether you select a specialism or prefer to continue to study a broad range of topics.

If you decide to specialise you will study 40 credits of core course units relating to your chosen specialism and 80 credits of optional course units to bring your total to 120 credits.

- BSc (Hons) Management (Accounting and Finance)**
- > Foundations of Finance [20]
 - > Intermediate Management Accounting [20]
 - > Plus either Business Law 1 [10] or Business Law 2 [10]

- BSc (Hons) Management (Human Resources)**
- > Employment Relations and HRM [20]
 - > Globalisation and Employment [20]
 - > Plus Law in a Management Context [10]

- BSc (Hons) Management (Innovation, Strategy and Entrepreneurship)**
- > Creativity, Design and Entrepreneurship [20]
 - > Foundations of Strategy and Innovation [20]

COURSE UNITS

[credits shown in brackets]

The content and structure of our programmes is reviewed regularly and it is expected that course content will be updated after the publication of this brochure. For the latest information please visit our website.

Additional core course units in law must be taken by Accounting and Finance and Human Resources specialists.

Our University Language Centre offers optional course units in over 15 different languages at all levels, including Further Business French [10-20]

If you do not wish to specialise, you will choose 120 credits of optional course units from across the management portfolio, which includes all of the core course units for each specialism alongside additional topics.

BSc (Hons) Management (International Business Economics)

- > International Business [20]

Economic Analysis I: Firm, Market and the Economy [20]

- > BSc (Hons) Management (Marketing)
- > Marketing Communications in the Digital Age [20]

- > Managing Projects [20]
- > Operations Management and Strategy [20]
- > Personnel Selection and Talent Management [20]
- > Research Methodology [20]
- pre-requisite for Dissertation

COURSE UNITS

[credits shown in brackets]

What you study

WORK PLACEMENT

If you successfully apply for a work placement this will take place between your second and final year. You will put theory into practice, develop transferable skills and gain insight into your chosen profession.

Previous BSc Management students have completed work placements at Accenture, Bank of England, Bentley, Boeing, Deloitte, Energizer, IBM, Jaguar Land Rover, Liverpool Football Club, Lloyds, L'Oréal, Porsche, Siemens, Toyota and Unilever, amongst others.

Our students have worked in placement roles spanning auditing, business development, human resources, marketing, procurement, risk analysis, sales and supply chain management.

FINAL YEAR

In your final year, you will choose at least 60 credits of course unit options from your chosen specialist area, as listed on the right.

You will then select an additional 60 credits of optional course units to bring your total to 120 credits. These additional credits can be chosen from any specialism, or from the wider management portfolio, which includes (but is not limited to) the following course units:

- > Accountability and Auditing [10]
- > Applied Practical Investing [10]
- > Business Decision Analytics [20]
- > Corporate Governance in Context [10]
- > Financial Engineering [10]
- > Financial Market Microstructure [10]
- > IT Risk, Cybersecurity and Governance [10]
- > Share Prices and Accounting Information [10]
- > Supply Chain Management: Logistics and Purchasing [20]
- > Wicked Problems: Clumsy Solutions - Leadership in Healthcare [20]

An additional 10 credits may be chosen from University College (see page 48) and up to 20 credits from the University Language Centre.

The content and structure of our programmes is reviewed regularly and it is expected that course content will be updated after the publication of this brochure. For the latest information please visit our website.

BSc (Hons) Management (Accounting and Finance)

- > Advanced Corporate Finance [20]
- > Advanced Management Accounting [20]
- > Contemporary Issues in Financial Reporting and Regulation [20]

OPTIONAL COURSE UNITS
[credits shown in brackets]

EMPLOYABILITY

Our graduates have always been highly sought after, with many going on to global blue chip companies, investment banks and leading graduate management training schemes.

Our courses offer great scope for you to shape your studies in line with your career aspirations. During your time with us, you can learn more about different careers through guest lectures, discussions with your academic advisor, summer internships and work placements. You'll also have the opportunity to meet employers at our events.

CAREERS SERVICE

Our careers service will prepare you for the competitive jobs market and help you find part-time jobs, volunteering opportunities and work placements. Manchester is the 2nd most targeted UK university by graduate employers (High Fliers Report 2024). To find out more visit: manchester.ac.uk/careers

MANCHESTER LEADERSHIP PROGRAMME

This University-wide second year course unit offers a unique combination of academic units and volunteering. You will learn the importance of leadership in promoting social, economic and environmental sustainability. Find out more visit: manchester.ac.uk/mlp

MANCHESTER GOLD

Career mentoring is a really useful way of meeting people working in your chosen field. Students are matched with employer mentors in a wide range of sectors, including management, finance, marketing, retail and more.

GLOBAL ALUMNI COMMUNITY

With 350,000 alumni in 200 countries, you will become part of a truly global network of knowledge, experience and networking opportunities. You don't have to wait until you graduate to get involved. To find out more visit: your.manchester.ac.uk

MASOOD ENTREPRENEURSHIP CENTRE

Based within Alliance MBS, Masood Entrepreneurship Centre is recognised as one of the UK leaders in applied enterprise and entrepreneurial teaching, learning and support.

Take part in the student ideas or business start-up competitions, and take advantage of their mentoring scheme.

To find out more visit:

uom.link/masood-entrepreneurship

UNIVERSITY COLLEGE

Second year students can now select an optional course unit of up to 10 credits from the University College suite of courses to broaden their studies.

To find out more visit: college.manchester.ac.uk

STUDENT SOCIETIES

We support a number of Alliance MBS-affiliated societies, including:

- > Accounting Society
- > AIESEC
- > Alliance MBS International Programmes Society
- > Bright Futures
- > Enactus
- > IBFE Society
- > ITMB Society (sponsored by Accenture)
- > Management Society (MANSOC)
- > Manchester University Trading and Investment Society (MUTIS)
- > Society of Finance and Business (SOFAB)

To find out more visit:

manchesterstudentsunion.com/societies

DO MORE, BE MORE

STELLIFY

STE•LI•FY(VERB)
To change or be changed, into a star

There's a reason our graduates are the second most targeted by the UK's top graduate recruiters (High Fliers Research 2024). We offer you the opportunity for true personal and professional change and growth. We call it Stellify.

We encourage you to broaden your horizons, understand the issues that matter in contemporary society and step up to make a difference to local and global communities. You'll do more, dream more, try more and be more. Find out more at: manchester.ac.uk/stellify

MAKE A DIFFERENCE
ALEXANDRA GATHUKIA
BSc (Hons) International Business, Finance and Economics

Mentoring primary school pupils
As a lover of current affairs and debate, it was important for me to continue this passion at university. I joined the Model United Nations Society and found out about volunteering at a local primary school as a 'Debate Mate' mentor.

LEARN WITHOUT BOUNDARIES
ELLIOT AGUIRRE
BSc (Hons) International Management

Spending a year abroad in Hong Kong
I spent my third year studying at the world-renowned University of Hong Kong. Apart from discovering a vibrant culture, meeting new people and amazing travel opportunities, I experienced a valuable new learning environment.

STEP UP AND LEAD
MEGAN CHITTOCK
BSc (Hons) International Management with American Business Studies

Becoming President of the International Programmes Society
Throughout my time at the Business School, leadership opportunities have always been encouraged. I studied 'Leadership in Action' and learned about different leadership styles from high profile leaders from many sectors.

LOOK TO YOUR FUTURE
MARTA SUÁREZ MATEOS
BSc (Hons) IT Management for Business with Industrial Experience

Getting a graduate job offer from my placement
I spent 12 months working for Credit Suisse as a Technical Analyst. It was an invaluable experience which helped me to develop both my personal and professional skills, which have been very useful throughout my final year at AMBS.

WORK PLACEMENTS

INTRODUCTION

Graduate employers seek to recruit graduates with work experience, practical skills and professionalism. Stand out from the crowd with a work placement that applies your academic skills and knowledge to real-world business situations.

Completing a work placement will help you clarify your career goals, give you an insight into the way organisations operate and the challenges they face and provide you with networking opportunities. In addition, top performing placement students are often offered graduate positions.

Students have completed placements at Boeing, Booking.com, Danone, Deloitte, IBM, KPMG, L'Oreal, Lloyds Banking, Porsche, PwC, Unilever and Walt Disney, amongst others.

WHO CAN APPLY?

Work placements are offered across the following degree programmes:

- > BSc (Hons) Accounting
- > BSc (Hons) International Business, Finance and Economics
- > BSc (Hons) IT Management for Business
- > BSc (Hons) Management / Management (Specialisms)

Full-year placements are not currently available on BSc (Hons) International Management as these students spend a compulsory year abroad. However, many apply to summer internships and some opt to complete international internships – often in the same country as their chosen exchange partner.

MONEY MATTERS

The average salary paid to our placement students in 2023-24 is £16,987.50 with some earning up to £51,770.

You will receive a significant tuition fee discount for the placement year. UK/EU students currently pay £1,850 and international students pay 20% of the standard international fee.

Additional support is available to UK students from low income households – visit: manchester.ac.uk/studentfinance for the latest information.

N.B. The above information is subject to confirmation each academic year.

BENEFITS OF A WORK PLACEMENT

Gain practical work experience

Earn a salary

Enhance employability

"I have worked with training managers across China, the US, Middle East, Europe and Russia. This has given me an insight into how businesses approach different cultures and an understanding of the structure of a multinational corporation. As I progressed with my projects more responsibility has been given for me to own my ideas and make them a reality."

—Daniel joined the Retail Academy at Bentley Motors

Follow placement students Tom and Louis on a typical day at Brain Feed and L'Oreal - visit: alliancembs.ac.uk/ug/tom and: alliancembs.ac.uk/ug/louis

Create a network of
industry contacts

Increase independence
and confidence

Gain an insight into
a specific sector

MEET HOI

Work Placement:

L'Oréal (UK) Limited

Course:

BSc (Hons) Management
(with Industrial/
Professional Experience)

"My placement has been an eye-opening experience, and each day provided opportunities to develop skills, notably stakeholder management by liaising with our customers, warehouse, commercial teams and more.

I also significantly improved my communication and presentation skills both with my colleagues and seniors during presentations. With the improvement of team working, problem-solving and more, my most significant development was self-confidence."

MEET BRYNLEY

Work Placement:

Technical Buyer,
Mercedes AMG
High-Performance
Powertrains

Course:

BSc (Hons) International
Business, Finance and
Economics

"My placement year involved me working in the purchasing department of Mercedes AMG High-Performance Powertrains (HPP), the sister company to Mercedes F1 Team. At HPP we design, develop and deliver the Mercedes Power unit to 4 of the 10 Formula 1 Teams, as well as the Mercedes Formula E Power unit and the AMG One, a limited production supercar set to break the Nürburgring record.

Working in such a high-performance team showed me the importance an individual can have when reaching a mutual goal if you apply yourself. Bringing this approach into my final year has helped me with group coursework projects, as well as giving me the confidence of working in a team to come back as the president of the surf society in my final year."

MEET HANNAH

Work placement:

Marketing Intern at
Mast-Jägermeister UK

Course:

BSc (Hons) Management
(Marketing)

"90% of my role was digital/creative orientated – creating new content for social media, helping design the new e-commerce website and making brochure adverts. During the summer I was invited to work at various festivals at the 'Jägerhaus' (Reading Festival, Kendal Calling, Eroica).

After starting my placement I was trained in CSR (corporate social responsibility) as working within the alcohol industry guidelines and rules are very strict. It's been really interesting to see the theories I have learned about in the classroom in a real working environment.

I was asked to stay on as a student brand ambassador during my final year and I feel more relaxed about getting a job in the future as I have made so many useful connections which have opened many doors."

WHAT TO EXPECT

We asked our students to tell us more about their experiences on placement as they're in the best position to explain what they gained from their placement year. Here's what they had to say...

Does work experience really matter to employers?

Yes – in today's competitive graduate market, a placement could make a real difference:

"Our placement students are immersed in the world of work, gain invaluable experience and become truly valued members of the team. We take pride in developing and upskilling these students and regularly reward top talent with a graduate job offer."

> Julia Woodcock, Head of Talent Management, Informed Solutions

"The Co-op's strongest graduate job applications tend to be those that combine academic achievement with real-world experience. Work placements provide you with invaluable experience that helps to develop crucial skills and behaviours like teamwork and collaboration, commercial acumen and change management."

> Matt Eyre, Candidate Marketer, Co-op Digital

Can I do a placement abroad?

Absolutely – our students have successfully applied for placements in Bulgaria, Germany, Hong Kong, Romania, South Africa and Spain. Any international placement must meet the School's requirements and you must hold the correct visa and/or work permit as required. All placements will require formal approval.

Will you help me to find a placement?

One of your core course units in first year, Academic and Career Development, will help you prepare for a placement year. In your second year, you will attend a series of meetings to provide you with information about

the placement year/process. You will also receive weekly e-bulletins advertising the latest opportunities. Our careers service will also be on hand to help you with your CV and support you throughout the application process. We also run a series of workshops for international students, to familiarise these students with UK corporate culture and recruitment etiquette, to support their search for a suitable placement.

Do I have to achieve a minimum grade to apply for a placement?

Yes – each degree programme has a different set of requirements – visit our online handbook for more details: uom.link/ambs-ug-handbook

What are the tuition fees for a work placement?

UK/EU students completing a work placement in 2023-24 currently pay £1,850.

N.B. This information is subject to confirmation each academic year.

SCHOLARSHIPS

We hope to award a number of social responsibility scholarships and international stellar scholarships to students in 2025.

These awards are worth £2,000 per year across three years of study. Eligibility criteria: UK/EU and international students achieving AAA at A-level (or equivalent). Additional eligibility criteria may apply.

For the latest information visit:
alliancembs.ac.uk/ug/scholarships

ENTRY REQUIREMENTS

GCSE or equivalent	Grade B in English Language and Maths (A in Maths for BSc Accounting/BSc Business Accounting). Grade 6 in English Language and Maths in the newly reformed GCSEs in England (7 in Maths for BSc Accounting/BSc Business Accounting).
---------------------------	---

PLUS

GCE A-level	AAA at A-level. General Studies is normally accepted if one of four A-levels passed in the same sitting.
International Baccalaureate	36 points overall with 6,6,6 in Higher Level subjects. IB students who do not meet the GCSE/IGCSE Maths and English requirements above will need specific grades in the Maths and English elements of the IB - please see: alliancembs.ac.uk/ug/requirements for more information.
BTEC Level 3 National Extended Diploma	D*D*D*. The subject of your BTEC will be taken into consideration when making a decision on your application. Please see our website for full details of other BTEC qualifications which are also accepted.
Access to HE Diploma	60 credits are required with 45 credits taken at Distinction at Level 3. Please note that we do not accept credits at Pass.
International student	We accept a wide range of international qualifications. For full details visit: alliancembs.ac.uk/ug/requirements We also require you to meet our English language requirements. We accept IELTS (6.5 overall with no less than 6 in any component), CAE (grade C) and GCSE/IGCSE English Language (grade B/6). Please contact our admissions team for advice on the suitability of other qualifications.

STUDENT SUPPORT

We have a wealth of specialist support services at Alliance MBS to help you look after your general wellbeing and to keep you on track academically.

STUDENT INDUCTION

An induction programme for all new students takes place during welcome week to help you settle in. This includes:

- > the opportunity to meet other students on Alliance MBS courses
- > meetings with your programme director, student support staff and your peer mentor
- > the opportunity to join student societies and various social events
- > a careers panel with recent Alliance MBS graduates.

To find out more visit: welcome.manchester.ac.uk

ACADEMIC ADVISORS

You meet your academic advisor fortnightly as part of a first-year course unit. Your academic advisor is there to support you throughout your studies on matters of an academic nature.

STUDENT SUPPORT AND ADVICE TEAM

If you'd prefer to talk to somebody outside the School, our student support and student money advisers based in The Atrium in University Place offer confidential appointments and drop-in sessions throughout the year.

To find out more visit:

studentsupport.manchester.ac.uk

STUDENT MENTORING SCHEME

We operate a peer mentoring scheme, to provide first year students with a second or final year trained mentor who will be able to provide practical assistance with settling into student life.

STUDENT REPRESENTATIVES

We appoint student representatives across every year group and subject area. Their feedback helps us to improve the student experience at Alliance MBS. All students have the opportunity to take on this important role.

STUDENT SUPPORT AND GUIDANCE TEAM

Your first point of contact within the School for any ill health or other personal problems which are affecting your work.

STUDENTS' UNION

Our Students' Union has an advice centre to assist you with academic issues and a peer support centre whose services include Nightline, a confidential listening and information service run for students by students. To find out more visit:

manchesterstudentsunion.com
